

COMPOST CALCULATOR

To determine the number of cubic yards:

square feet x inches of compost x 0.0031 = # of cubic yards needed

To determine the number of bags:

square feet x inches of compost x 0.124 = # of bags needed

Compost Depth	Bags/100 sq. ft.	Yards/1000 sq. ft.	Yards/Acre
1/8"	1.75	0.38	16
1/4"	3.50	0.75	33
1/2"	7.00	1.50	65
1"	14.00	3.10	133
2"	28.00	6.20	270
3"	42.00	9.30	405
